*A Message From The President*

Another year has rolled around and we look back on the work we have accomplished and look ahead to the prospects of a banner year in the MILLENIUM.

Our acquisitions of historical material and the great number of users and visitors to our facilities show that we have a very valuable spot in the lives of a great number of people --both local and those who have left the area or whose ancestors built this part of Canada. With the material we have on hand and our ability to direct enquiries to the appropriate areas helps a great many people in their

search for their ancestors. Also, part of Heritage Renfrew --Home Children Canada-- has grown so large that it keeping the Founders ---Kaye and Dave --"run off their feet".

Here's hoping we can keep on giving the same service that has become part of our reputation.

We also had a very successful fall Trip, to Algonquin Park and the Barron Canyon. We were over subscribed for seats -nearly enough for another bus; and everyone had a great time.

The coming year should see us make greater strides in aiding the public, both in our facilities here and with our WEB page which is getting a lot of use.. Sometime in the near future we are re-designing our Web page to make it more interactive and a greater benefit for those seeking answers to their genealogy questions

Wishing one and all a very prosperous and productive MILLENIUM

Martin Munhall, Pres.

### The MILLENIUM TRAIL

This is a project ,undertaken by the citizens of Renfrew and sponsored by contributions from various sources.

The Trail is a project that will see an all-season,all weather, all persons route,that will generally follow the old C.N.R. rail route through Renfrew. There is a great deal of work involved and sponsors are being sought.It has been proposed that Heritage Renfrew sponsor and erect some of the proposed plaques that will be erected at selected spots on the Trail

The Route goes roughly from the "JUNCTION " to the Eastern end of the town.

### STAFFING OUR OFFICE

As we are having as many visitors as we are ,it really alls on a few to 'man ' our office ,it would be nice to see some more interested members volunteer some of their time to being at the office or available to support and aid these visitors .Im sure there are some of you who would come out and spend some time here.

There is a lot of work involved for those who come there now; a

few more volunteers would make it a lot easier.
